

MyGuest – Rapid Certificate Verification for more Guest Safety

MyGuest gives guests at restaurants, hotels, events, etc., the ability to share their vaccination status. Using the latest facial recognition technology, MyGuest checks fast and reliably whether a guest has the required proof. Only one check is necessary: MyGuest remembers a guest's status and automatically recognizes him on each subsequent visit.

MyGuest benefits

- ✓ Rapid vaccination status check without extra staff
- ✓ Highest security due to data encryption
- ✓ Always compliant with the latest COVID-19 regulations
- ✓ Creating client loyalty through easy access
- ✓ Check documentation (optional)
- ✓ Guest statistics (optional)

MyGuest is the right solution for:

- Restaurants / Bars / Clubs
- Hotels
- Events / Conferences / Fairs
- Healthcare facilities
- Sports facilities / Gyms
- Retail shopping
- Companies / Government agencies
- Public transport
